

ELEMENT MATERIALS TECHNOLOGY AALEN GmbH

TERMS AND CONDITIONS (DE)

1. Formation of Contract

- 1.1 These terms and conditions ("**Terms and Conditions**") together with any quotation, proposal, estimate or fee quote ("**Quotation**") provided by or on behalf of the Company (as defined below) shall apply to all contracts for the supply of testing, calibration and/or other services ("**Services**") carried out by Element Materials Technology Aalen GmbH ("**Company**") providing the services contemplated therein to a customer ("**Customer**").
- 1.2 These Terms and Conditions shall supersede and override any terms or conditions contained in or referred to in the Customer's purchase order or acceptance of a quotation or specification and shall prevail over any inconsistent terms or conditions contained or referred to in the Company's confirmation of order, or implied by law (unless the law in question cannot be excluded), trade custom, practice or course of dealing. Any phrase introduced by the terms "**including**", "**include**", "**in particular**" or any similar expression, shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
- 1.3 Written and oral Quotations shall be valid for sixty (60) days from the date thereof and the Company may withdraw any such Quotation at any time until the conclusion of a Contract (as defined below). No Quotation given by the Company shall be an offer to contract with any person and no contract shall come into existence except in accordance with sub-condition 1.4.
- 1.4 The Customer's purchase order or the Customer's acceptance of a Quotation constitutes an offer by the Customer to purchase the Services specified in the Quotation upon these Terms and Conditions. No offer placed by the Customer shall be accepted by the Company other than by a written acknowledgement issued and executed by the Company or (if earlier) by the Company starting to provide the Services, when a contract for the supply and purchase of those Services on these Terms and Conditions will be established (the "**Contract**").
- 1.5 No acceptance or acknowledgement, even if in writing and signed by the Company, of the Customer's purchase order or any other document pertaining to the Services shall constitute acceptance of any provision of the Customer's purchase order or any other document that conflicts with or adds to these Terms and Conditions unless the Company specifically agrees to such a variation of these Terms and Conditions pursuant to and in accordance with sub-condition 2.1.
- 1.6 The delivery to the Company by the Customer of any item for testing or calibration by the Company (a "**Sample**") or the delivery of any request by the Customer to the Company for the provision of any similar services shall, upon acceptance of that Sample or request by the Company, constitute an 'offer' (as referred to in sub-condition 1.4). If the Company begins such testing, calibration or similar services on that Sample, the offer shall be deemed to have been accepted by the Company and a Contract shall be formed. These Terms and Conditions shall apply to that Contract.

2. Variation including Cancellation, Postponement and Amendment

- 2.1 These Terms and Conditions may not be varied or waived by either party unless the variation or waiver is in writing and is signed by an officer or duly authorised signatory of the Company. The variation or waiver must set out the condition(s) or sub-condition(s) to be varied or waived and the detail of each such variation or waiver.
- 2.2 The Customer may cancel, postpone or amend any order (in whole or in part) at any time.
If the cancellation (in whole or in part) of an order takes place before conclusion of a Contract, for no valid reason and the Company was allowed to trust that such a Contract will be concluded (in the initially intended scope), the Customer shall pay to the Company any losses, expenses and costs incurred by the Company relating to the order prior to the date and as a result of the cancellation.
- 2.3 In case of postponement or amendment of an order after the conclusion of a Contract, the Customer shall pay to the Company the full amount of the Consideration (as defined in sub-condition 3.1) relating to such order plus all Costs (as defined in sub-condition 3.1) relating to such order incurred by the Company prior to the date of the postponement or amendment plus any other losses, expenses and costs incurred by the Company as a result of the postponement or amendment. The Company reserves the right to review and amend any Quotation prices where documentation, specification or other materials relating to the Contract have materially changed since the original Quotation was given or where additional services not envisaged by the Quotation are requested, for example, producing written descriptions of detailed procedures

undertaken as part of the Services. For the avoidance of doubt, approval of such additional requests shall remain at the Company's discretion.

3. Prices & Payment

- 3.1 The Customer shall pay the Company the charges set out in the Quotation, if applicable, or as otherwise contemplated for the provision of the Services ("**Consideration**") and shall pay the Company on demand for any expenses incurred in the provision of the Services ("**Costs**"), unless expressly agreed otherwise in writing.
- 3.2 The Company may issue invoices in respect of Services:
 - 3.2.1 upon completion of the Services; or
 - 3.2.2 upon completion to the Company's reasonable satisfaction of separate parts of the Services, in which case, the Company will invoice for that proportion of the total Consideration for the Services performed under the Contract; or
 - 3.2.3 in a manner otherwise specified in the Quotation, including individual lines on the Quotation, or order confirmation.
- 3.3 The Customer shall pay the Consideration and Costs stated in any invoice for Services provided pursuant to these Terms and Conditions in full, without deduction or set-off, within twenty one (21) days of the date stated on that invoice. The Consideration shall be paid free and clear of, and without deduction for and on account of, statutory value added tax or any other tax unless the Customer is required by law to make such payment subject to the deduction of withholding tax, in which case the sum paid by the Customer shall be increased to the extent necessary to ensure that after such deduction or withholding the Company receives an amount equal to Consideration and Costs it would have received had no such deduction or withholding been required.
- 3.4 The Customer shall pay the Consideration and Costs to the Company by electronic bank transfer in cleared funds in the currency specified in the Company's Quotation, proposal or order confirmation. All payments due to the Company shall be payable within the specified time irrespective of whether or not the Customer has recovered payment from a third party and, for the avoidance of doubt, but without prejudice to the generality of the foregoing, this includes payments of fees due to the Company acting as experts or as expert witnesses when instructed by solicitors acting for a party to a dispute.
- 3.5 If the Customer fails to pay within the twenty one (21) days as stated in sub-condition 3.3, it is in default without further notice. In default of payment, the Company may: suspend any further Services being carried out for the Customer; withhold the provision of Reports (as defined in sub-condition 4.2); alter or withdraw credit terms; and amend terms, prices or service levels. The amount outstanding from time to time shall bear interest, calculated from the day following the occurrence of default based on the statutory interest rate (Basiszinssatz).
- 3.6 The Company may retain or set off any sums owed to it by the Customer which have fallen due and payable against any sums due to the Customer under this Contract or any other agreement between the parties or any of their Group Companies. "**Group Company**" means, in relation to a company, that company, any subsidiary or holding company of that company, and any subsidiary of a holding company of that company.
- 3.7 The Customer undertakes that during the provision of the Services and for 6 months following completion thereof, the Customer shall not:
 - 3.7.1 solicit or entice away (or assist anyone else in soliciting or enticing away) any member of the Company's staff with whom the Customer has had dealings in connection with the Contract and/or the provision of the Services during the 12 months immediately prior to the earlier of the date of the Customer's purchase order or the date of the Quotation; or
 - 3.7.2 employ (directly or through a third party) any person as referred to in sub-condition 3.7.1 or engage them in any way to provide services to the Customer.

This undertaking shall not apply in respect of any member of the Company's staff who without having been previously approached directly or indirectly by the Customer responds to an advertisement placed by the Customer or on the Customer's behalf.

In the event of a negligent or willful breach of this undertaking by the Customer, which leads to the departure of any person as referred to in sub-condition 3.7.1, the Customer will pay to the Company, on demand, a sum equivalent to 50% of the total annual remuneration package paid by the Company to the individual prior to his or her departure. If the Company asserts claims for damages against the Customer due to a breach of the obligation under the preceding sentence, the amount

determined shall be credited against the amount of any claim for damages by Company.

4. Services

- 4.1 Subject to the remaining sub-conditions of this condition 4, the Company will complete the Services in a satisfactory and workmanlike manner, consistent with industry standards. The Customer expressly acknowledges and agrees that the Company gives no warranty that any result or objective can be achieved through the Services and that, where results are based on smaller scale tests and theoretical studies, results may require careful validation in order to be extrapolated to a production scale.
- 4.2 The Company will use its reasonable endeavours to complete Services and provide written information, results, technical reports, certificates, test or inspection records, drawings, recommendations, advice or the like in respect of the Services (the "**Report**") or certificate thereon to the Customer by any date reasonably requested in writing by the Customer. The Company's maximum liability to the Customer for any delay in the performance of any obligation under the Contract shall not exceed 5% of the Consideration, provided that the delay is due to a slight negligence of the Company.
- 4.3 The Company's obligation to complete Services under the Contract shall be subject to any obligation it may have to comply with any law or other regulation binding on it which may be in force from time to time.
- 4.4 No employee, agent or other person is authorised to give any warranty or make any representation on behalf of the Company in relation to the Contract, or to assume for the Company any other liability in connection with the Services, unless such warranty, representation or assumption of liability is given to the Customer in accordance with sub-condition 2.1.
- 4.5 In relation to radiography reports and film delivered or interpreted as part of the performance of the Services, the Customer shall notify the Company, within fourteen (14) days from date of issue of such radiography reports and film, of any Customer or third party dispute concerning either the radiographic quality or interpretation of results. If the Customer does not so notify the Company within this fourteen (14) day period, the Customer will be deemed to have accepted the radiography reports and film, together with any interpretation of these, provided by the Company.
- 4.6 The Customer warrants to the Company the completeness and accuracy of all documents and information supplied to the Company for the purposes of the Company fulfilling the Services, both at the time of supply and subsequently.
- 4.7 Reports are issued on the basis of information known to the Company at the time that the Services are carried out. Although the Company will use all reasonable endeavours to ensure accuracy, the Services depend, inter alia, on the effective co-operation of the Customer, its staff and on the information submitted to the Company. All Reports are prepared on the basis that:
- 4.7.1 there is no responsibility to any person or body other than the Customer;
- 4.7.2 they are not produced for any particular purpose and no statement is to be deemed, in any circumstances to be or give rise to a representation, undertaking, warranty or contractual condition unless specifically stated;
- 4.7.3 the Report is determined solely by the professional analysis undertaken by the Company's staff on each individual Contract and any forecasts by the Company of the results is an estimate only;
- 4.7.4 the Company is entitled to be paid the Consideration irrespective of the results or conclusions reached in the Report;
- 4.7.5 the results of the Services shall address the items and information submitted only and are not to be regarded as representative of any larger population from which the Sample was taken; and
- 4.7.6 the results are final and approved by the Company. The Company shall be under no liability where the Customer has acted on preliminary, unapproved results or advice.
- 5. Customers' Property**
- 5.1 The Customer shall supply as much information as possible, including a unique purchase order number, reference or authorization, about each Sample and/or Service requirement in order to assist in achieving an efficient service. If a Customer provides the Company with detailed instructions in writing as to the treatment and handling of particular items of its property, the Company will use its reasonable endeavours to comply with such instructions.
- 5.2 The Customer shall inform the Company in writing prior to the Company carrying out any Service on a Customer site or Sample that is of a dangerous or unstable nature, as well as notify the Company of any actual or potential health & safety hazards relating to a Sample and arising from the Company's performance of the Services, and shall provide instruction on the safe visiting of the site or safe handling of the Sample. The Customer shall accept full responsibility for appropriate safety labelling pertaining to the Sample and any equipment provided to the Company by the Customer.

- 5.3 The Customer acknowledges and expressly agrees that, subject to sub-condition 5.4 where the Contract specifies that the Services include non-destructive testing of the Sample, the performance of the Services may damage or destroy any and all Samples and any other materials or property delivered by Customers to the Company in relation to the Contract. The Company will not be responsible for any additional costs or damages, including consequential damages and indirect costs or losses, resulting from destruction or loss of the Customer's property, subject to the provisions contained in condition 8.
- 5.4 When testing, analysis or other services are carried out, the Company shall not be liable in respect of any costs or losses resulting from damage to or destruction of any property belonging to the Customer, subject to the provisions stated in condition 8. In case the Company faces liability for damage to or destruction of the Customer's property, the liability shall be limited to the lesser of: (i) the value of Customer's property or (ii) the cost of the Services performed on the damaged property pursuant to the Contract, unless the Customer provides proof that it has suffered a higher loss.
- 5.5 In the event where the Services include visual inspection/testing of the Sample(s), the Customer acknowledges and expressly agrees that, due to the variables associated with human workforce, defects of concern in the tested Sample(s) may be overlooked depending on the overall proportion of defects in the tested Sample(s).
- 6. Re-Delivery**
- 6.1 The Company will at the Customer's reasonable written request, deliver the Customer's property (other than that which is destroyed as part of the Services) back to the Customer after performing Services relating to that property. The Company may use any method of delivery that it reasonably decides and will do so as the agent of the Customer and will not have any liability in respect of any such item so delivered, subject to the provisions stated in condition 8. The provisions contained in condition 8 shall apply accordingly in respect of any persons whom the Company may have engaged in connection with the delivery of property to the Customer unless the parties to the Contract expressly agree otherwise.
- 6.2 The Company reserves the right to deliver the Customer's property back to the Customer as specified in sub-condition 6.1 after three (3) months from completion of the Services, whether or not a written request as specified in sub-condition 6.1 has been made, if the Customer itself fails to collect its property within this period. In this event, the Customer shall cover all costs incurred by the Company by reason of delivery.
- 7. Title & Security**
- Subject to the provisions contained in condition 8, the title to the Customer's property which is delivered to the Company and all risk of loss or damage to such property shall remain with the Customer at all times, who shall be responsible for effecting and maintaining its own insurance cover in relation thereto, it being hereby acknowledged by the Customer that the charges of the Company do not include insurance. The Company may retain all property delivered to it until all sums due and owing to the Company by the Customer have been paid.
- 8. Liability and Indemnity**
- 8.1 The Company is liable for damages caused by slight negligence only if these are due to the breach of a material contractual obligation in a manner endangering the purpose of the Contract. In this case, the liability is limited to the damage which is typical and foreseeable. The limitation of liability shall also apply to damages caused by gross negligence of an employee or agent of the Company who is not a governing body or executive of the Company.
- 8.2 In the cases as stated in sub-condition 8.1, the liability shall be limited to the greater of (i) EUR 6,000 or (ii) the Consideration, unless the Customer provides proof that he has suffered a higher loss or the parties to the Contract expressly and individually agree otherwise.
- 8.3 The limitation period for claims for damages against the Company shall be two (2) years from the point in time the claim arose and the Customer became aware thereof. Regardless of the Customer's awareness, the limitation period shall be five (5) years from the occurrence of the damaging event.
- 8.4 The aforementioned liability limitation shall apply to all claims for damages of the Customer against the Company irrespective of their legal basis with the exception for claims based on (i) death, injury of body or health, (ii) intent and (iii) gross negligence of a governing body or executive of the Company.

- 9.6 The Customer shall indemnify the Company against all losses to which the Company may become liable as a result of a claim that the use of any data, equipment or other materials supplied by the Customer for the performance of the Services involves the infringement of any Intellectual Property Rights of any third party.
